The Florida Soldiers at Sea Girt.

The shooting done by the Florida team on the Sea Girt range yesterday ranked with the best shooting done on the range during the day, and it is more than likely that one of the members of the "Alligator" team will receive one of the prizes offered for the individual shooting.

The shooting yesterday was from the 200, 300, 500 and 600-yard ranges, and the scores made by the Floridians were good ones.

The highest score of the day was made by a New York soldier, with an average of 182. The score of Sergeant Lynn of St. Augustine was 178, just 6 points behind the leader of the day's shooting. There were over six hundred entries in this match, from all parts of the United States, and the Florida soldier led hundreds of them.—Times-Union.

Off for the East.

Mr. Jake Brown, the hustling junior partner of the firm of A. Brown & Brother, left Saturday for the eastern markets to look over the field and scent out anything new that may have developed in the grocery line since his last trip. He leaves Jacksonville via the Clyde Line for New York City, from which point he will go up into the Catskill mountains for a week to visit his family, who have been spending the summer there. He will return to Ocala in the early part of October and promises the patrons of the Tea Pot grocery that if there is anything on the market that is an improvement on what he carries today they shall have it. As he eats, sleeps and dreams "Royal Scarlet" canned goods of course he will make his headquarters at the establishment of the R. C. Williams Company while in the metropolis.

A Little Excitement

William Stewart, colored, got too much "wet" Saturday night, and in attempting to take him in charge, he got Officer Charley Robinson's fingers between his molars and came near biting them off, and then fled; but the officer fired at his retreating form, as did also Jailer Smith as he happened to be passing at that time. The negro was not struck by any of the whistling bullets, but was stopped, and was afterwards placed in jail.

Officer Robinson's fingers were dressed by a physician and it will be several days before he has the use of them.

Originates a New Fruit.

John Philippi, a well known fruit nurseryman of this place, has perfected a new fruit from the peach and nectarine, called a peacherie. Authorities on fruit state the nurseryman has made that the natural blending of the two fruits, and the result is a firm, sweet, white meat, with a palatable mixture of the flowers of the fruits from which it is a cross. It will make one of the best shippers on the market.—Lodi (Cal.) Sentinel.

It Was Ever Thus.

Politics are still hot. All day yesterday there were crowds upon the street discussing the phases of the recent primary and trying to arrive at conclusions as to how certain results were reached.—Miami News.

Mr. Brumby's enumerators are still busy with the census figures. Mr. R. W. Erwin has finished his work in the Ocala district; and, while the information has not yet been made public, yet enough is known to justify the prediction that she has made excellent growth. She is at least keeping up in the procession with other interior cities.

Miss Sara Whitfield, who has been visiting Mrs. C. E. Powell in Lexington, Kentucky, for several weeks, is now in Moultrie, Georgia, where she will visit relatives until the first of October.

FLINN—GALLOWAY.

Two Young People From Ocala Are Murdery Married.

There was quite a commotion at the county court room early yesterday morning, caused by the arrival in the city of a very nervous couple that desired to be united in the holy bonds that make divorce possible.

The party arrived from Ocala and the gentleman escorted the young lady to the Brown House about 7 a. m., and while she was enjoying her breakfast the gentleman found Geo. Mason, who officiates in such cases during the absence of the judge, and secured a license to wed for R. W. Flinn and Miss Mamie Galloway, both of Ocala. He then went to the hotel and the happy pair started for the Baptist parsonage, where Rev. S. B. Rogers made them one.

Mr. Flynn, the groom, is a comparative stranger here, but the bride is known to some of our people, being the daughter of John P. Galloway, for many years sheriff of Lake county, but at the present time a successful turpentine operator.

After the ceremony the newly wedded couple took breakfast at the Brown House and a few minutes later departed on the train south, apparently as happy as if they had been pelted with rice by a "host of admiring friends."

It was thought by some that the haste made by the couple was on account of there being some objection, but both were apparently old enough to know their own minds, and we hope they will never regret their wedding day in Gainesville.—Gainesville Sun.

A Benediction to Be.

From Friday's Daily.

Mr. William F. Marlowe, the affable young salesman of the dry goods department of the Fair store, leaves today for Wade, Alachua county, where he will be married Sunday to Miss Ella Lee Osteen, one of Alachua county's fairest young ladies.

The marriage will take place at Forest Grove Baptist church at Wade at 9 o'clock in the forenoon.

Mr. Marlowe will return to Ocala with his bride next Wednesday and they will occupy the Kraybill cottage on the corner of Orange and North Fifth street.

Mr. C. J. Weaver and Miss Artie Marlowe, sister of the prospective groom, will accompany him to be present at the nuptials.

The Ocala Banner offers its best wishes in advance of the happy event.

Shortly after Sandro Batticello had painted that most distinctly pagan picture, "The Birth of Venus," he equalized matters, eased conscience and silenced the critics by producing a beautiful Madonna, surrounded by a circle of singing angels. Yet George Eliot writes. There were wise-acres who shook their heads and said: This Madonna is the work of some good monk—only a man who is deeply religious could put that look of exquisite tenderness and sympathy in a woman's face. Some one is trying to save Sandro's reputation and win him back from his wayward ways.—Little Journeys.

Mr. John B. Floyd, the good natured representative of the New York Life Assurance Society, was here Saturday and was giving to a party of friends some of his experiences at Williston and Dunnellon and kept them in a roar of laughter. There are few more companionable men than John B. Floyd.

HASBEENS NOT IN IT.

The Younger Contingent Put Them on the Shelf.

The baseball team which has been dubbed "Never-Wases" showed the fans how very erroneously they were named, when Friday afternoon on the South Third street diamond they defeated the Has-Beens by a score of 13 to 2. The Never-Wases played what we call star ball. The basemen were fast and did everything that was expected of them, and that was a good deal; their pitcher was good, their catcher was good, and the fielders supported the battery and infield to perfection.

Some of the above can be applied to the Has-Beens. These veterans did some good hitting, and made three fast double plays. They are not as fleet of foot as the Never-Wases, and made some errors, but they have not forgotten how to play the game. They were simply out-classed. They hit the ball for long drives, but usually some of the Never-Wases were there when the ball came down, so those long swats counted for nothing in the final score.

For the Never-Wases, Ford hit to left field for two bases, and came home when Vogt hit to short where the ball was booted. Vogt proceeded to pilfer the second sack which he did with grace and ease. Bullock then hit a liner to Anderson on second, who pulled it in and doubled Vogt at that station. Harris made first on Chambers' error, and worked his way round to third, and then scored on an error by first base.

When the Has-Beens came to bat, Chambers hit a high one back of third base which Harris pulled in after a long run. Bishop fanned and Crow went out on a pop-up to third.

The Never-Wases failed to score in the second session, their side being retired in one, two, three order. Not so with the Has-Beens. Camp, C. was given a base on balls, went to third on J. Camp's line drive to center, and scored when Anderson hit to right field.

Ford, Vogt and Bullock added three more tallies to the score of the Never-Wases in the third inning; Morris one in the fourth; Harris one in the fifth; Pelot, Ford and Vogt three in the sixth; Cole still another in the seventh; and Ford and Harris two more in the eighth—total, 13.

In the fourth scene, for the Has-Beens, C. Camp was retired from short to first. J. Camp then hit another drive to center, but was caught trying to steal second. Gerig went to first over the "big four" route, reached second on Anderson's hit to right field, and crossed the plate when Duval hit a long one over the center fielder's head. In the eighth inning C. Camp, J. Camp and Gerig occupied the bases for the Has-Beens with no one out, and it looked as if they would score again. Anderson then hit to Vogt, who doubled Gerig at first, and Duval went out from pitcher to first.

Clark pitched a pretty game and had almost perfect support. Duval was not up to his usual high standard, and his support was not the best.

The Score:

Never-Wases 2 0 3 1 1 3 1 2 0—13 12 4
Has-Beens 0 1 0 1 0 0 0 0 0—2 7 8
Battery—Never-Wases, Clark and Bullock; Has-Beens, Duval and McEtheridge. Double play—Anderson, unassisted; Anderson and C. Camp; Duval and C. Camp; Vogt and Eord. Umpire—E. Carmichael.

Miss Caro Liddon entertained a number of young people Friday night in honor of her guest, Miss Florence Mellon, of Tampa. The evening was pleasantly spent in various games, music, etc.

Mr. Grant McCall, who for many years was a resident of our city, but now traveling for a New York furniture house, was in Ocala Saturday. Grant's friends here are always glad to see him and welcome him.
